

FALL FISH SALE

Tuesday, September 28, 2021 from 10:00-11:00 a.m. in the Agricultural Center Parking Lot 42110 Russia Rd, Elyria

The truck from Fender's Fish Hatchery of Baltic, Ohio will be here at 10:00 a.m. until 11:00 a.m. to distribute orders. Largemouth Bass, Bluegill, Hybrid Bluegill, Channel Catfish, Redear Shellcracker, Yellow Perch, Fathead Minnows, Triploid White Amur, and Japanese Koi are available. We will also have pond conditioner - a once-a-year treatment that adds a natural green color, while lowering fertility levels in your pond.

On pick-up day, you will need to bring a container filled with your pond water to pick up your order—approximately 5 gallons of water for each 100 fingerling size fish. We suggest using a trash can with a new, unscented plastic liner—then adding the pond water to the container. Ensure there is enough room for the liner to be tied shut for transportation. Remember, the Amur are 8-10" long and need a suitable container.

General stocking recommendations are 100 Largemouth Bass and 500 Bluegill per surface acre of pond area. Channel Catfish can also be stocked in ponds that are a 1/2 acre or larger; though they will not reproduce in a pond, they do provide excellent fishing. A 4-6" long Catfish stocked this fall will double in size by next spring.

If you have pond stocking questions, please contact the experts at Fender's Fish Hatchery at (740) 622-0681.
